Physician Opportunities – Family Physicians & Specialists

Language of Work: English

Compensation: Fee-for-service

Benefits: Three months of overhead cover or financial equivalent as a signing bonus

Why Join Assiniboine Medical Clinic

For more than 50 years, Assiniboine Medical Clinic has been a trusted, patient-centered healthcare provider in Winnipeg. As a physician-owned and physician-led clinic, we prioritize a supportive, collaborative environment where clinicians can thrive both professionally and personally.

We offer:

A strong, loyal patient base

Decades of community trust ensure a steady flow of patients and excellent long-term practice potential.

A collaborative, multidisciplinary team

Family physicians, specialists, nurses, and allied health professionals work together to deliver comprehensive, coordinated care.

Modern facilities and on-site services

With on-site diagnostics, pharmacy, and a wide range of medical services, physicians can provide efficient, integrated care.

Autonomy and flexibility

Physicians set their own schedules and have the freedom to shape their practice while benefiting from a stable, well-managed clinic infrastructure.

Robust administrative support

Our experienced administrative and billing teams handle operational tasks, allowing physicians to focus on patient care.

Whether you are a Family Physician seeking to build a full-scope practice or a Specialist looking to expand your outpatient services, Assiniboine Medical Clinic offers the resources, stability, and collegiality to support your success.

Opportunities Available

Family Physicians

We are seeking Family Physicians committed to providing continuous, comprehensive care to a panel of patients while also offering episodic and acute care as needed.

Key Responsibilities:

- Provide full-scope primary care to patients of all ages
- Conduct assessments, obtain medical histories, and perform physical examinations
- Order and interpret diagnostic tests
- Prescribe and administer treatments and medications
- Provide preventive care, including vaccinations and health promotion
- Offer acute, episodic, and emergency care when required
- Collaborate with other healthcare professionals
- Provide counseling and support to patients and families
- Manage ongoing primary care for assigned patient panels

ASSINIBOINE MEDICAL CLINIC

633 Lodge Avenue
Winnipeg, MB, R3J 0S9, Canada
Telephone: (204) 958 6700
Fax: (204) 958 6730

Qualifications:

- Eligible for licensure with the College of Physicians and Surgeons of Manitoba
- CCFP certification or recognized equivalent
- Experience is an asset, but new graduates are welcome

Specialists

We welcome applications from Specialists interested in joining a busy, well-supported clinic environment. Our established patient base and strong referral network create excellent opportunities for specialists to build or expand their practice. Ideal for specialists who thrive in outpatient, community-based care.

Qualifications:

- Eligible for licensure with the College of Physicians and Surgeons of Manitoba
- Certification with the Royal College of Physicians and Surgeons of Canada (or recognized equivalent)
- Commitment to collaborative, patient-centered care

Hours & Work Environment

- Flexible hours — physicians set their own schedules
 - Supportive administrative and clinical team
 - Modern, well-equipped clinic with on-site services
- Opportunity to build a long-term, sustainable practice
